MapControl Class

Namespace: [Windows.UI.Xaml.Controls.Maps](#)

Assemblies: Windows.UI.Xaml.Controls.Maps.dll, Windows.dll

Represents a symbolic or photorealistic map of the Earth.

[Edit](#)

C#

[Copy](#)

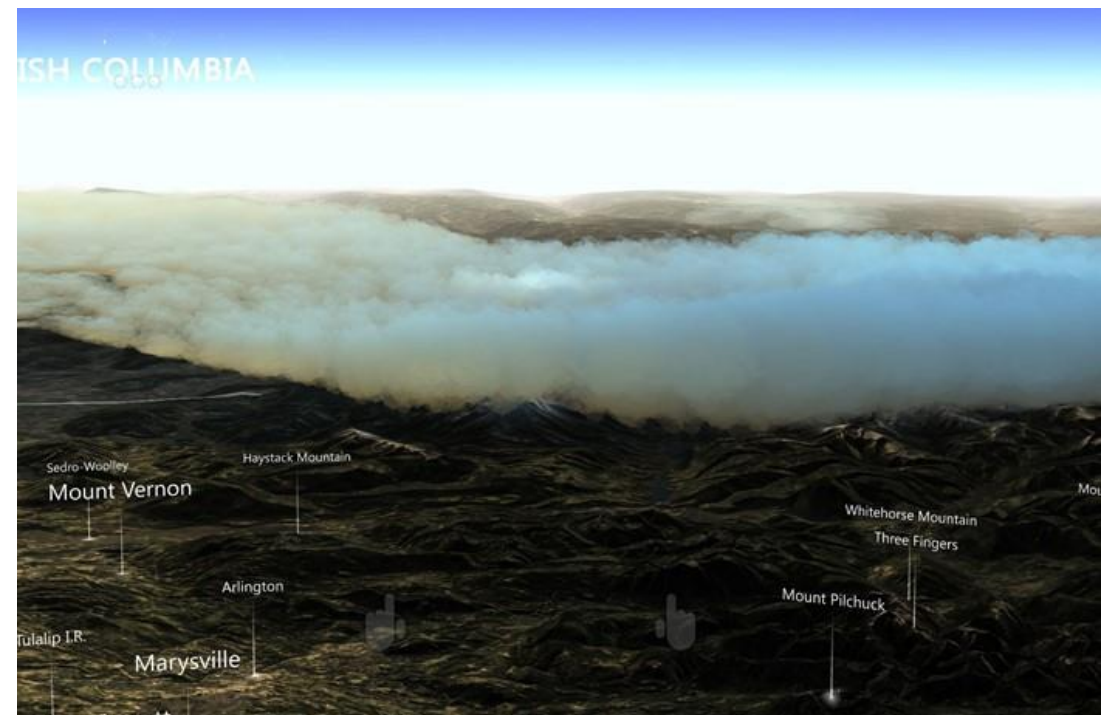

```
public sealed class MapControl : Control, IMapControl, IMapControl2, IMapControl3,
IMapControl4, IMapControl5
```

XAML

[Copy](#)

```
<!-- xmlns:Maps="using:Windows.UI.Xaml.Controls.Maps" -->

<Maps:MapControl/>
- or -
<Maps:MapControl></Maps:MapControl>
```

What's this about?

Microsoft

To live code? Or not to live code?

To live code? Or not to live code?

Other options:

- Put code on a slide & use highlighting
- Record a video of the demo and play it back

To live code? Or not to live code?

Other options:

- Put code on a slide & use highlighting
- Record a video of the demo and play it back

When should you?

- Your code requires context
- You're doing a workshop
- Your talk focuses on workflow
- You enjoy living on the edge

If you're going to live demo

- Make it readable
- Have a backup
- Know your prep
- Pray to the Demo Gods
- Use these tips & tricks!

WE'LL DO IT LIVE

I'LL WRITE IT AND WE'LL DO IT LIVE

Top 5 tips!

Let's learn

What's your
trick?

What's your
trick?

The screenshot shows the Twitter profile of Microsoft Imagine (@MSFTImagine). The header includes navigation links for Home, Moments, Notifications, Messages, and a search bar. The profile picture is a circular logo with the text "Microsoft Imagine" and a stylized 'X' icon, with the Microsoft logo at the bottom. The bio states: "Microsoft Imagine connects aspiring student developers of all skill levels with the tools, resources, & experiences to turn their innovative ideas into reality!". Location is "Redmond, WA", website is "imagine.microsoft.com", and it was "Joined May 2009". The stats bar shows 16.9K tweets, 7,540 following, 140K followers, and 2,560 likes. A pinned tweet from March 24 offers \$100 in Azure credit for building web apps in the cloud and making VR dreams a reality, with a link to msft.social/ZBheyf. The tweet includes a video thumbnail showing a person wearing VR goggles.
